

L'Hôpital de Montréal pour enfants  
The Montreal Children's Hospital  
Centre universitaire de santé McGill  
McGill University Health Centre

and

Need your help creating a:

## Youth Advisory Forum

"Kids helping adults better help kids".

*This forum will provide a voice to the ultimate users of the MCH (the youth).*

*Its central focus will be to improve the hospital's responsiveness to better meet the needs and experiences of the youth treated at the MCH.*

### Mission and Goals

- Educate and advocate for an improved understanding and perception of youth perspectives.
- Improve the quality of MCH services to better respond to the needs of youth.
- Establish ongoing communication and collaboration between staff and the youth they serve.

## Nominate a Patient

Please help us by nominating a patient that fulfills the following

### Membership Criteria:

- Is between 14 and 20 years old.
- Is a current or past user of the hospital or is the sibling of a patient.
- Has parental consent to participate in YAF.
- Is able to attend meetings and support activities. (Approximately 6-9 meetings per year.)
- Can commit to the YAF for a term of 12, 18 or 24 months.
- Actively participate and contribute to valuable change.
- Be subject to the fulfillment of the MCH's Volunteer Services selection criteria.
