

Procedure for Scheduled Drop-off/Pick-up of Donations at Front Entrance of the Montreal Children's Hospital:

- Please arrive on time for your scheduled donation drop-off. We are operating on a stringent timeline and will not be able to accommodate late arrivals.
- A maximum of 2 people can be present for the donation drop-off.
- Donors will not be permitted to enter the hospital.
- Upon arrival, donors can place their gifts in a bin which will be located outside the main entrance of the hospital.
- Donors must be wearing a mask and remain a minimum of 2 metres distance from hospital staff or volunteers who will be receiving the donation.
- No pictures will be permitted.

We thank you greatly for your generosity and for your kind understanding that these procedures ensure the safety of both the children and their families as well as your family and hospital employees. Together we can help to make the holiday season joyous and safer for all!
